"Fun & Laughter—Builds Resilience!"

They say laughter is the best medicine, and on Friday 15th November the Tooraweenah Memorial Hall was filled to the brim with locals looking to unwind and temporarily forget about the current conditions.

Over 90 people attended the dinner event coordinated by a team of volunteers from the Tooraweenah CWA and Lions Clubs, with funding support from the Bendigo Bank Gilgandra & District Community Bank.

The evening's theme was rural wellbeing, resilience and recovery, with an interactive presentation from

James Cleaver & Camilla Kenny
Photo: Courtesy Gilgandra Newspapers

Camilla Kenny of the Rural Adversity Mental Health Program (RAMHP) and James Cleaver of the DPI Rural Resilience Program. The duo worked to combine discussion on skills involved in building resilience with a fun, light-hearted evening.

After some icebreaker activities to get people enthusiastic, the group created a timeline of the last 40 years of events for Tooraweenah. "We wanted to highlight the significant number of social, economic and environmental events which have occurred within the district, and in what way these have contributed to how the community has evolved to get to where we are now," said DPI's James Cleaver.

A discussion on stress and coping strategies was next, with a hilarious performance of how stressors can fill up our 'stress bucket' with assistance from local Warwick Moppet. "Using the analogy of the stress bucket helps to show that when we are impacted by many stressors, our 'bucket' can get very heavy, cumbersome and hard to manage, as Warwick found with the sand filling the bucket. Identifying what strategies help you to relieve stress can help you to empty your stress bucket and equip you with skills to manage in tough times", said RAMHP's Camilla Kenny. More Page 4

Margaret Zell – Tooraweenah's 'Hidden Treasure'

Margaret Zell was recognised on the NSW Department of Primary Industry's Hidden Treasures honour roll for 2019, which celebrates and recognises rural women volunteers and what they have done for their communities.

Margaret has been a special friend to many and an outstanding and inspirational volunteer in the true spirit of the word for more than 60 years. Gifting countless hours to make life a little easier and more rewarding for others.

Our community joins in congratulating you and thanking you for helping and supporting so many people and organisations over your lifetime.

Your gift of time to our community and beyond has been appreciated. Thank you.

Drought Communities

Programme Extension.

This funding is now available for farmers, farm workers and farm suppliers, and contractors facing hardship due to drought. It can be used to spend in local communities or to cover urgent bills such as food, petrol and utilities.

The \$3,000 per household can consist of up to \$2,000 in cash and \$1,000 in vouchers.

The Salvation Army, St Vincent de Paul Society and Rotary Australia World Community Service have been engaged to deliver the assistance. Eligible households should reach out to these organisations directly to seek financial support

Put the Merry Back Into Christmas!

2019 has been a challenging year for many in our communities, and the Rural Adversity Mental Health Program (RAMHP) is urging people to take time to look after themselves and each other and ask for help when it's needed.

With a significant part of NSW still experiencing ongoing drought, the RAMHP team are only too aware of the extra stress and challenges that the Christmas period can bring.

RAMHP Coordinator Camilla Kenny says, "we know this year Christmas is going to be a really tough time for some families experiencing added financial stressors, relationship challenges, increased work priorities and grief and isolation.

"We also recognise that many people have had an extremely busy and difficult

year, and encourage them to take the time to slow down and take care of themselves over the holiday period to ensure they are coping", said Ms Kenny.

We need people to be extra mindful of those who might be experiencing mental health issues and to reach out to them to check in and ask: Are you OK? If they're not coping, it's important to listen and help them access appropriate support".

With many people in the community experiencing added stressors, the RAMHP team have created some practical tips for putting the 'merry' back into Christmas.

Take some time out to recharge for the New Year ahead - despite the chaos that sometimes happens - it can be a time to slow things down if only for a week or so. Stop and enjoy the small things in life

Give people the invaluable gift that doesn't cost a cent - TIME - be completely present and truly listen to others and yourself. Maybe you need some time alone to reflect and then connect.

Breaking traditions—it doesn't have to be all about feasts and presents—start a new tradition this year, focus on spending time with those who make you laugh

Remember to have some fun - revel in the simple things which make you laugh like a game of backyard cricket or the silliness of the jokes and hats in bon-bons at Christmas lunch - *laughing can be so good for our wellbeing* .

Around The Traps ☺

Tooraweenah LPO

The rainfall for Tooraweenah for November was 27.4mm falling over 2 days with a YTD total of 283.0mm over 34 days. Please ensure you use your correct mailing address to speed up sorting and delivery, make sure your mail has been correctly addressed and you put the appropriate amount of postage on larger letters. To make sure Christmas mail is delivered on time, please remember to post early. A reminder that the Tooraweenah and Tonderburine Post Code is 2817

Pub Community BBQ's

The November BBQs at the hotel were run by the Tooraweenah Golf Club. Thank you to all who assisted in any way during the month. The December BBQ's are to be run by the Tooraweenah Lions Club and assistants, why not come in for a great meal on Saturday night during December and have a great night with locals and the visitors staying at the Caravan Park. Watch the local notice boards for menus. **Please note there will be no Saturday night BBQ on the 21st of December, but the Hotel is having their Christmas Party on Friday night the 20th, when the**

Community BBQ will operate from 6pm.

Lions Clothing Bin

Residents who take advantage of the Lions Clothing bin are reminded that it is for clean clothing only.

Toora Lions club.

The Toora Lions club will be meeting at the Mountain View Hotel, 7.00pm for 7.30pm, on Wednesday the 4th of December. Please book in at the hotel on 68481017 The Lions Club will have raffles on the 7th, 14th and 20th of December, Hams and Cherries for Christmas. Support the club that supports your town.

Councillors Corner

Council has resolved to support Toora CWA's request for the installation of a Telstra Tower in Tooraweenah. At this stage a Black Spot grant application is pending. Similarly, Council has favourably considered a request to support Toora Show's Regional Agricultural Show Grants Program application, for a grant to

construct new amenities and First Aid facilities at the showground. This is a significant community project. In an initiative to assist rural residents, and a first in our region, Council has decided to introduce a rebate scheme to ensure the availability of the supply and delivery of domestic drinking water at a maximum cost of \$100 per delivery. Consultation is underway to finalise the

walkway to the GK Rohr Viewing Platform with installation works planned in the New Year. For "what's on" information about local, community and other events, checkout Council's website. Go to <http://www.gilgandra.nsw.gov.au/Home> and find out what's happening locally.

Tooraweenah CWA

Another year is ending very quickly. Many thanks to everyone in our community, your generosity was amazing during 2019 and helped our Branch have a great year. Don't forget to let Beverley or Denise have your RSVP for our Christmas Lunch on Wednesday 4th December, Gilgandra Services Club, cost \$20. Also, please bring a gift for a child or adult to donate. A big thanks to Jill who headed the team for the Fun & Laughter night. A great time was had by everyone who attended. A big welcome to Lindy Connell, Kim Hutchinson and Tanya Mallison who have joined Tooraweenah CWA. We hope you

all enjoy the friendship and fun with our members. Our Market Day at the Visitors Centre went very well with 18 stall holders attending. If anyone is looking for something to read over the holiday break, our FREE Library is outside the CWA Rooms. Sip & Sew will continue each Wednesday over the holiday break, except for Christmas Day and our first meeting for 2020 will be on Wednesday, March 11th at 9.30 for 10.00am start. On March 7th members hope to get-together for a Picnic in Tooraweenah Park with family and friends. More about this in the February edition of the Bungles.

Our first major catering event will be the Endurance Ride in April. Lots of best wishes to all over Christmas and New Year, with a much wetter 2020. *Cath Waller, Publicity Officer.*

The Wonderful Gift of 13 Handbags filled with Pharmacy Products and donated by "Sydney 76 Ionian Club" has been gratefully received in Tooraweenah by drought-affected people and I pass on their very sincere thanks, with special appreciation to Ruth Brown, whose caring service is long remembered.

Fun & Laughter—continued

The duo engaged the crowd in further activities to outline the significance of reaching out to

social networks in the community for support, the impact of stress on our communication skills and decision making ability, and the importance of empathy and listening skills when asking someone if they are OK.

The final activity included participants writing down 1 thing they would do differently moving into the future. "From the timeline activity we could highlight that often we don't get much of a break to recover from an event before the next thing hits us, which is why it is important that we think now about what we can do to look after ourselves, and be in a constant process of recovering or evolving", said Camilla.

The group came up with an array of ideas of things they could do into the future, such as enjoy the good times, travel, spend time with family, and work to

respond rather than react.
Overall, the event was a great success, with plenty of laughter, fun and learning late into the night!

Tooraweenah Public School

Principal's Position

It is with great pleasure that I announce my success, through the recent merit selection process, in becoming the permanent

Principal of Tooraweenah Public School. In my relieving role I have relished the opportunity to lead the school and am now looking forward to doing so into the future. It is a privilege to be able to make a positive impact on the education and wellbeing of our students and provide innovative 21st century learning. Thank you to the school and wider community for their wholehearted support.

u-Rippa Excursion

Recently, students K-6 participated in the u-Rippa program at the Gilgandra Pool, generously funded by the Gilgandra Amateur Swimming Club. The program was highly engaging and students found the tasks both challenging and rewarding. Students experienced swimming with and against the u-Rippa portable current simulator and practiced how to swim out

of the current as well as how to protect their airway, think and signal for help with a closed fist. Our instructor Scott did an amazing job in teaching students to learn to think quickly and concisely in high-stress situations. Congratulations to our students in rising to the challenge even when out of their comfort zone.

We would like to thank Melanie Ferguson and the Gilgandra Amateur Swimming Club for organising and funding this innovative program in our local area. Thanks also to pool staff Bill Welsh and Alicia Heffer for their supervision and assistance during the session.

S.T.E.M

Students K-6 have been investigating concepts in STEM through the "Balloon Tower Challenge". One recent challenge was: How tall can you build a freestanding tower using only balloons and masking tape? Mrs Zell was impressed by student's creativity and team work skills in solving the challenge. The tallest tower was just over 2 metres in height.

The next STEM investigation allowed students to learn about static electricity by experimenting with balloons, polystyrene, hair and string.

Congratulations Mrs Zell

It was my pleasure to present Mrs Penny

Zell with her Teaching Certificate. Mrs Zell has undergone a rigorous process to attain her teacher accreditation and we congratulate her on achieving this milestone.

Technology

This term, students have been using a Stem.T4L kit from the Department of Education's library that has included the use of a 3D Printer. Our students learned how to use the software Tinkercad and after completing some exercises, made their own name tags and other 3D models, which were then printed on the 3D Printer. Thank you to Petria and James Cameron for the extensive hours in volunteering to assist with this project.

School Leader 2020 Speeches

Congratulations to all students who presented speeches at the special assembly. The quality of the speeches were outstanding. The voting has been completed and the incoming school leader will be announced on Presentation Night

Presentation Night and Concert

Parents and community members are warmly invited to our annual Presentation Night and Concert on Thursday 12th December at 6:00pm at the Tooraweenah Memorial Hall

Andy Zell – Celebrated his 98th Year & Shares His Recollections

Andy Zell, born at Chinnock in Gilgandra on September 26th in 1921 celebrated his 98th birthday recently. He has lived all of his life in the Tooraweenah and Gilgandra districts except for a time in the army.

Andy has been involved in numerous Tooraweenah and Gilgandra organisations during his lifetime. Some of Andy's recollections include travelling to Coonabarabran by car, with the trip taking all day and he had to open 37 gates to get to the destination. It is wonderful to see how road access has improved over the years. Andy also recalls being in school in Tooraweenah when Arthur Butler landed. He often speaks of Mr Butler talking to the school children, telling them of one incident when Mr

Butler was flying in a major storm. A sea gull landed in his lap; Mr Butler told the children this gave him faith in being able to get through the storm. Once the storm had passed, the gull hopped onto the edge of the cock pit, preened his feathers, turned to Mr Butler as though he was saying, 'thank you' and flew off. It is a privilege to have our senior residents share some of their memories. Andy now lives at the Coo-ee Lodge Hostel in Gilgandra.

Laughter is the Best Medicine!!

**TOORAWEEAH'S – BEAT THE DROUGHT
CHRISTMAS LIGHT COMPETITION**

Light up your house, light up your yard!

Prizes will be awarded for

Best overall display

Most colourful

Best Homemade Display

(get creative with items from around your house or yard)

People's choice

Everyone who votes for their favourite display will go into a draw for a prize.

All prizes are being donated by local businesses.

Entry is free, just call into the caravan park to register and pick up a competitor number to stick on your fence.

Voting is free, collect your voting slips from Mountain View Hotel, Tooraweenah Trading, Toora Motors or Tooraweenah Caravan Park.

Judging will be done by an independent out of town person.

Winners will be announced on Christmas Eve at The Mountain View Hotel.

Tooraweenah Show — Yard Dog Trials and Working Dog School

Gilgandra & District
Community Bank® Branch
Bendigo Bank

An excellent day of dog trials was held during the Tooraweenah Show on Saturday October 19th in which 87 trial runs were made despite the deteriorating weather conditions of wind and dust. On the following day, Sunday October 20th, the yard dog section hosted a working dog school, putting the yards and sheep to extra use to give 16 keen working dog handlers the chance to learn some basic training skills for their working dogs.

These events were sponsored by the Gilgandra & District Community Bank

Branch of the Bendigo Bank.

Mr Dave Motley a well known kelpie breeder and trialler shared his knowledge and experience with a varied age group of students, ranging in age from 12 to 60 years which featured mostly young beginner dogs and pups.

Dave started by giving a talk on dog and pup instincts and how we can work with their natural attributes, he then gave a demo with his own pup on where to position yourself to get the pup to bring the sheep. Dave then worked his way through all the handlers getting each

person to work a few sheep and get a handle on where to place themselves and their dogs to keep the stock flowing towards them. Dave then showed how to put commands with body language and touched on getting a left and right cast, getting the dog to stop, and teaching the dog to back and bark.

Dave's offsider Mr Kieran Potter kept some of the other students busy when it got quiet in the other yard putting some of the handlers with more advanced dogs through a simulated yard trial.

All in all a great day to gain valuable information on how to handle our special 4 legged friends.

The Toora Show Society yard dog stewards would like to thank Dave Motley and Kieran Potter for their contribution to an informative day during which everyone gained some excellent knowledge and had fun with their animals.

Also to the Bendigo Bank for their sponsorship to keep these sort of days affordable.

With the excellent feedback received from the day this event could become a regular part of the yard dog section during the annual Show. *Brendon Butler— Steward*

Tooraweenah Lions Roar

As Tooraweenah's local community service organisation we can take a moment to reflect on the

contribution we have made as we approach the end of 2019. We have been ably led by Ken Gordon as President and then "Lord" Lester Thurston OAM. We celebrated our Ruby (40th) year in 2019, an amazing achievement for a small rural community. Volunteerism, is the hallmark of Toora Lions members. We target projects and activities that financially and socially assist our community. We encourage and promote opportunities to provide assistance to individuals, families and community organisations to benefit from our Club's support, particularly during the current prevailing drought conditions. Toora Lions members assisted with the Bendigo Bank funded Fun & Laughter Builds Resilience evening. Lester was MC and entertained the enthusiastic crowd with his own frivolity, interspersed with the odd bit of sledging. Our Club supported the Gil MPS Gilgandra Cup Trots fundraiser. We purchased a

book of raffle tickets, ended up winning and then re-donated 1st and 2nd prizes. Local identity Paddy Gale then won 1st prize.

Club members volunteered to join in with Gil Lions to help out with Central West Riders Toy Run family event on November 30th. Another community event co sponsored by Toora Lions Club.

The Lions Club raffles, with a selection of hams and boxes of cherries, are at the Mountain View Hotel watering hole on Saturdays 7th and 14th and Friday 20th December.

Toora Lions extends to everyone compliments of the Christmas Season and hopefully drought breaking rain in the New Year. We also take this opportunity to express our gratitude for community support throughout 2019.
