CANBERRA ACT 2600

Dear Sir

### INLAND RAIL

At its August meeting, Council considered a request from a concerned group of landholders to support their calls for an independent enquiry into the route selection of the inland rail, particularly through the N2N section.

Council resolved to make representation to you on their behalf supporting the request for an enquiry.

As the process of finalising the focus corridor in the N2N section is progressing, Council asks that the Government determine the outcomes of such requests in a prompt manner to give the landholders certainty.

Yours faithfully

Cr Doug Batten  
Mayor
