

PLANT - HIRE

Objective

- To limit the operators of plant hired from Council to suitably qualified and /or experienced people.
- To allow Council employees to hire plant at internal hire rates under certain circumstances.

Scope

All Council plant and equipment.

Policy

1. That Council equipment is not dry hired unless otherwise specified in the policy.
2. Council equipment may be dry hired to another Council where it can be established they have a suitably qualified operator and Gilgandra Shire Council provides induction.
3. Council equipment may be dry hired to Gilgandra Shire residents/ratepayers only when the equipment will still be operated by a suitably qualified Council employee.
4. Council employees may hire Council equipment at Council's internal rate only when the equipment is being used for their own private use.
5. Council plant may be hired to local charitable, service, educational and sporting organisations on the basis of actual cost without operator provided a Council staff member qualified to operate that plant donates his labour.
6. That where plant is hired by Gilgandra Speedway Inc, suitably accredited and experienced operators, with the approval of the Director Works & Technical Services, be allowed to operate Council plant at the Speedway.
7. That where a tractor suitable for slashing is hired to the Showground Trust, nominated suitably experienced operators, with the approval of the Director Infrastructure, be allowed to operate a Council tractor at the Gilgandra Showground.
