

ROADS - CLOSURE

Objective

- To establish guidelines for staff involved with the temporary closure of roads within the Shire
- To set minimum acceptable requirements and standards for the temporary closure of roads
- To establish suitable standards for the reporting of road conditions
- To document Council's decision to deny access to rural local roads for use by crop dusting aircraft

Scope

The temporary closure of any public road in Gilgandra Shire in the event of wet weather traffic hazards or road damage from natural or un-natural occurrences and rallies or street processions.

Policy

1. That Council use the procedures detailed in Council's Temporary Closure of Roads Code for temporary closure of any public road in Gilgandra Shire in the event of wet weather traffic hazards or road damage from natural or un-natural occurrences and rallies or street processions.
2. That, on the advice of Council's insurers, Council deny access to rural local roads for use by crop dusting aircraft as temporary landing sites.

Relevant Legislation

Nil
